The PBC letter will probably go out Monday instead. I wanted to inform the House before sending it, and the person I need to contact has been a little busy today.

Let me know if that's a problem.

Unless the Senate has had any last minute thoughts based on any new research, we'll prepare our entrance letter for Palm Beach and plan to send it later today. I'll contact the House and Senator Abruzzo before sending the letter.

Thanks for all of your help.

Reynold,

I haven't heard yet from Chris about a project/review that Senator Abruzzo asked us to do. It involves a local government entity. The Senator seems to be under the impression that it was approved from the top.

Thanks,

Phil

George,

Any information on Senator Abruzzo's request for a review? He seems to be under the impression that he is good to go, and he asked me late last week about our progress.

I'm concerned about what he might be saying back home about the project being approved.

Thanks,

Phil
